Digital Media Art
2025

EXPERIENCE

SJSU | Art 68 (Beginning Sculpture) Exhibition

November, 2023

I had three artworks on display. I also helped on the day of installation and deinstallation of the gallery.

SJSU | Digital Media Art Bachelor of Fina Art Exhibition of Fall 2025 | Website Coordinator

November, 2025

I had one work on display. I was the leader of the Website Team for the exhibition. I gathered and organized the information for the website and help input it on the site. I also helped on the day of installation.

BIO

Gia Noel Curtis was born in Hollister and raised in San Jose, California. Since they were young they pursued the arts. First getting their certificate in Animation from Silicon Valley Career Technical Education. Then earning their Bachelor of Fine Art in Digital Media Art at San Jose State University. Becoming a multimedia artist who blends physical and digital elements together.
